

# Nader Riad: "Bavaria Egypt" Celebrates the Golden Jubilee to its Foundation.... A Message of Gratitude to Partners of Success

By: Nahed Emam

**Nader Riad**

"Bavaria Egypt" celebrates its Golden Jubilee to its foundation in 1971; the company that is considered the pride of the Egyptian Industry which engraved its high-quality on the German land, with a trademark that goes back to fifty years, that gained Europe's respect and esteem. It expanded its activity in the Egyptian market through inaugurating more than 29 branches to cover all governorates of Egypt.

"Bavaria Egypt" aimed at providing integrated solutions to alarm and automatic extinguishing systems through upgrading its production lines, developing the warehouses systems to work in an integrated automated system, and caring about the aspect of training and improvement as it established the maintenance and training center in Nurmberg. In addition, Bavaria provides automatic extinguishing systems to protect facilities and vehicles and a huge fleet of moving service centers to serve more than 55 thousand customers in the various governorates.
